◆ **LET’S GET ACQUAINTED!**

During the next several months, the elders want to visit all the members of the North Penn congregation. Each visit will include two elders. We want to learn how you are doing, what you are thinking, and how we can better serve you. We request a half hour of your time for a visit and prayer, but will be glad to take more time if you like. If it’s OK with you, we’ll invite ourselves to your house. If that isn’t practical, we’ll be happy for you to come to our house or to meet you where you prefer. Of course, this opportunity is completely optional for each person. - - - *The Elders*
