

WELCOME TO WINGS WOMEN'S MINISTRIES

Women of all ages can find opportunities for spiritual growth and service within the programs and activities of WINGS. Choose from among our many group activities, Bible studies, or invite friends to join you for one of our larger events, such as our Women and Girls Devotional. Our goal is to foster community among women to encourage and support each other in our daily lives.

MISSION STATEMENT

The Women's Ministry exists to elevate our relationship with Christ by providing women a climate of encouragement, support, acceptance and community enrichment.

WOMEN'S NIGHT OUT

Each month an activity is planned for our women to get together and learn something new, or just have fun together. Listed below are some of the scheduled activities:

- Jewelry Repair & Design*
- Scrapbooking*
- Gardening Tips*
- Chick Flick Night*
- Bunco/Game Night*
- Comedy Night*
- Flower Arranging*
- Cooking Demonstration*

FRIENDSHIP RING

This is a great way to get plugged in to the North Penn fellowship. Every other month you are assigned a partner to visit with and get to know. Meet for coffee, a walk in the park, or simply find an hour to visit and get to know one another. By the end of the year, you'll have six new friends! Call Cindy Turner at 215-723-2803 to join.

TUESDAY MORNING STUDIES

Tuesday Bible study meets during the academic school year from 9:30-11:00 a.m. at the church building. Classes range from topical studies to more in-depth examinations of specific books of the Bible. Class discussion and sharing are common elements of most Tuesday morning groups. February 2 begins a study from the book of Mark. Babysitting is available.

WEDNESDAY NIGHT FALL QUARTER BIBLE CLASS

This is a special time of growing together in spirit and in community. The Class is led by our women and typically is a time of spiritual sharing and discussion. Class is held at the church building during the fall quarter each year on Wednesday nights.

KEYSTONE OPPORTUNITY CENTER

We have the privilege to serve our community through donations to the Keystone Opportunity Center. They provide food and household products to families in financial difficulty. They also provide transitional housing and education to get people back on their feet and back in the job market. Each month we collect staple pantry items, paper goods, soaps, everyday household needs to help keep the center stocked to supply the needs of the community. In addition to this, we, as a congregation, provide Thanksgiving, Christmas, and Easter meals for several families, along with Christmas gifts and Easter baskets.
